PROGRAM REPORT

The career counselling program aimed at sharpening the skills of individuals for success in placement tests. The program spans across seven days with experts with relevant experience from the industry enabling the transition from college life to corporate ready individuals. A perfect blend of soft skills and relevant information ensures that the students develop confidence and are ready to face the process of selection.

All the companies recruiting students from various technical institutes look for different technical skills and personality traits before making an offer to the students. In order to sharpen their technical skills and polish their communication skills and make them ready for the corporate world, **GAYATRI COLLEGE OF SCIENCE AND MANAGEMENT** offer different training programs for each student, every year. These programs aim at preparing the students from a career point of view.

There was an interactive session between the students and the guest lecturer. Students got their doubts clarified regarding **EMBEDDED SYSTEMS**, how a graduate student from India can register themselves in other countries, and the job opportunities in the same fields.

The speaker **Sri. L.Chakravarthy** addresses students regarding **EMBEDDED SYSTEMS**.

The Department of Electronics and Computer Science conducted a career counselling program from 30-09-2018 to 06-10-2018. The content covered, is beneficial for the students by imparting the knowledge of **EMBEDDED SYSTEMS**.

PROGRAM REPORT

The career counselling program aimed at sharpening the skills of individuals for success in placement tests. The program spans across seven days with experts with relevant experience from the industry enabling the transition from college life to corporate ready individuals. A perfect blend of soft skills and relevant information ensures that the students develop confidence and are ready to face the process of selection.

All the companies recruiting students from various technical institutes look for different technical skills and personality traits before making an offer to the students. In order to sharpen their technical skills and polish their communication skills and make them ready for the corporate world, **GAYATRI COLLEGE OF SCIENCE AND MANAGEMENT** offer different training programs for each student, every year. These programs aim at preparing the students from a career point of view.
